25th One Hour Postal National Championship
2002 United States Masters Swimming
Sponsored by Florida Maverick Masters

Sanctioned by Florida LMSC for United States Masters Swimming, Inc. #142-001

The Meek May Inherit the Earth...But They'll Never Rule the Water!

This is the 26th year that USMS has offered the One Hour Postal Meet, and the 25th as a National Championship. Once again, a record number of swimmers, 2005, accepted the awesome January challenge and swam an incredible 7,386,089 yards. International entries arrived from Australia and Japan.

Swimming for an hour is definitely not an event for the meek. Six swimmers achieved their ultimate goal of breaking a National record.

Danielle Ogier, 49, UNAT, 4,995
Barbara Dunbar, 52, SDSM, 4,770
Mike Shaffer, 36, VCM, 5,865
Sandy MacDonald, 46, SAC, 5,495
Jim McConica, 51, VCM, 5,620
Graham Johnston, 70, MOST, 4,515

Three teams extended the relay limits.

45+ Women, METR, 13,500

Einsidler, 45 - Hare, 51 - Robison, 46

35+ Men, VCM, 17,005

Shaffer, 36 - Hedrick, 38 - McConica, 51

55+ Men, TAM, 13,230

Frost Jr, 58 - Parlapiano, 55 - Burns, 59

Sara Quan, 29, OREG, 5,310, swam further than any other woman while Shaffer, 36 outdistanced everyone with his record breaking 5,865 yards.

LARGE team winners:

1st - New England Masters
2nd - YMCA Indy Swim Fit
3rd - Metro Masters Swim Club, NY

MEDIUM team winners:

1st - Oregon Masters
2nd - Irvine Novaquatics, CA
3rd - Tamalpais Aquatic Masters, CA

SMALL team winners:

1st - Colonials 1776, PA, NJ, DE
2nd - Henderson Southern Nevada Masters
3rd - Ventura County Masters, CA

For the other 1,992 swimmers, the swim was not just about the yards! For some, perseverance, "That was the longest hour I've ever seen!" Or an individual goal, "While my distance was unimpressive, it was a milestone for me and I really want to have it on record." A warm fuzzy, "My time wasn't all that great...but what a GREAT FEELING to actually do it!"

Three cheers for our two 90 year old role models, Margot Lenigk, SMMM, 855 and Art Holden, FMM, 1600 yards!!! Holden said he couldn't swim for an hour. After 30 minutes, coach said he could stop. Holden said he would

finish, to show that “just because you’re old, doesn’t mean you have to be a couch potato.”

There is nothing traditional about an hour swim. George Steers, WPM, swam 3600 seconds. Jack Geoghegan’s CONN group did a “workout one hour” doing 100’s, or other repeats, on individual intervals. David Prior, NEM, and others, used a goal minimum splitsheet to record actual splits. Most were right on their training. Roger Franks, 1776, swam on 1/31, his 75th b-day, to the cheers of his wife and surprise birthday guests.

You can swim it upside down, as did the backstrokers, Jon Scherbart, UNAT; Peter Havel, NEM; Philipp Djang, RGSC; John Merrill, CONN and Frank Mockler, NEM. Not to be outdone by the opposite sex, Nancy Ridout, TAM, kicked backstroke (recovering from shoulder surgery). Cindy Curtis, NEM, swam all fly. If I missed any other stroke swimmers, I apologize for overlooking your notes.

Heidi Duehmig, NEM, swam in two age groups (some of us struggled to swim it once), as a 29 year old, 3,455 and 2 weeks later as a 30 year old, 3,415 yards.

Then there were the teams who looked at strokes from a different perspective. Ventura told us about their exhibition MEDLEY relays. Yes, medley.

The Alpha relay swam 18,990 yards, beating the 18,325 yards by the Phoenix team, last year.

Back - Mike Shaffer -36 - 5,060

Breast - Don Smith -40 - 4,030

Fly - Tim Hedrick - 38 - 4,275

Free - Jim McConica - 51 - 5,620

The Omega relay amassed an amazing 16,890 yards

Back - Larry Raffaelli - 58 - 4,165

Breast - John Derr - 52 - 3,970

Fly - Jim McConica - 51 - 4,330

Free - David Foote - 52 - 4,425

They jokingly referred to their Omega team as the "geezer squad".

The Florida Mavericks took exception to that term, and said VCM’s team were only “geezer wanabees.” The Mavericks entry, the real “geezers,” in the 75+ mixed relay, was a medley, totaling 10,105 yards.

Back - Paul Hutinger -77 - 3,085

Breast - Regan Kenner -78 - 2,535

Fly - Joseph Kurtzman - 75 - 2,050

Free - Gladys Olsen - 75 - 2,435

These three teams extend a medley relay challenge to all future One Hour Postal extremists.

There were many ties and near misses, either to a record or a higher place. One memorable tie was for 1st place in women’s 85-89, age group. Mary Lathram, DCM and Audrey Etienne, SMMM, swimming 2,145 yds, on opposite coasts and missing the record by only 5 yds.

Five moms swam “great with child”: Nynke Ligtenberg, RINC, 6 mo; Jeanine Grundman, CRUZ, 7 mo and Elizabeth Nilsen, CRUZ, 8 mo pregnant.

OUR HOUR BABIES

This is the year of the NEM One Hour Swim baby. Georgia Woods recorded 2,975 yards on the evening of January 2nd and a little more than 24 hours later delivered a son, Martin. She held the NEM title for shortest time between completion of the One Hour Postal and giving birth.

That record stood for less than ONE DAY! Later that day, Carol Prescott, swam 3,280 yards, before going to the hospital for an ultrasound. Less than seven hours later, she delivered a son, Cole.

Congratulations to both new mothers and their Hour Baby Boys. The Florida Mavericks presented the babies with a surprise gift as a souvenir of their entrance into this crazy world of Masters swimming and their mom’s tenacity to stretch their limits.

.....THE JOURNEY

As we frequently heard in the Winter Olympics, "it's not about the destination, it's about the journey." For most of the swimmers, the place was not the important result, even 173rd. One man told us he waited until he aged up to do his swim. His daughter gave him a stop watch for his birthday, so she could time him. He couldn't wait for the results, and called to find out how he did.....excited that he was in the middle of the pack. It's about team spirit and relays, camaraderie and common goals, training and being the only entry from your pool.

COST: \$5

TIME: One Hour

SATISFACTION: Priceless

MAVERICKS REVIEW.....

Bid accepted. Creation of program for iMac. 200 entries every day for three days straight. Carry out meals. Filing 2006 entries. Deciphering hand writing. Late hours. Verifying registrations. Peter Crumbine's (long distance chair) question at the entry deadline, "Are you enjoying this?"

I couldn't have accomplished this monumental task without the continual and unwavering support from the Mavericks, friends, and Greg Bruce, last year's host. I appreciated every contribution, no matter how trivial it may have seemed.

Paul Hutinger, husband, assistant, entry organizer, yardage checker ("He couldn't have gone 50 yds in 7 sec!") and most important, patient and understanding of our massive commitment to this project.

Chuck Hutinger, son and Computer Support--He created my iMac data entry program, worked with large teams with their e-mail submissions, and was there when I asked, "How do we.....?"

Patricia Tullman--organized massive mailing stuffing party

Frank Tillotson--check stamper, hole puncher, alphabetizer

Stephen Everhart--entry organizer and alphabetizer

John Samperdro--entry organizer, alphabetizer and truck driver

James Donnelly--logo designer and t-shirts

Florence Carr, Harry and Margaret Homans, Doris Prokopi and June Reynolds--packing envelopes for mailing

Peggy Hughes--folding results

Esther Lyman--Registrar at National Office who kept me current with data base

Jason--Hasty Awards

Coaches of all the teams who didn't submit any entry without verifying swimmers' registration.

I apologize for any names I may have inadvertently overlooked. I certainly wasn't intentional. You're all important in the timely completion of the 2002 One Hour Postal.

Peter, my answer is, "Yes, it was enjoyable." Everytime I felt bogged down by the overwhelming stack of entries and dust bunnies running rampant, I would get a message from a swimmer thanking us for our efforts.

YOUR COOL IN THE POOL!
